

INTERNAL QUALITY ASSURANCE CELL

Internal Quality Assurance Cell (IQAC), established in the college during the year 2004-2005, as proposed by the National Assessment & Accreditation Council (NAAC), is functioning effectively. IQAC has become an integral part of the institution's system and works towards realising the goals of quality enhancement and sustenance. Its prime task is to develop a system of conscious, consistent and catalytic improvement in the performance of the institution. During the post-accreditation period, IQAC channelised and processed the efforts of the institution towards its academic excellence.
